### About me

A passionate photographer and PADI Rescue Diver who captures stunning visuals. Showcasing creativity and technical expertise above and below the surface through documentary storytelling methods. Skilled drone pilot that helps in capturing exquisite aerial footage and images. Reliable, efficient, and willing to help meet team goals.

### Work Experience

#### PHOTOGRAPHER

Sab'marj | 2024-2025

- Photographing effects of climate change on local communities
- Spreading awareness of the risk of flooding through exhibitions

#### FILM EDITOR

Blue Resources Trust | 2024

- Interned with BRT to create a promotional short film
- Collected, organised and edited the film incorporating feedback
